**20 Years of improving
manufacturing and
distribution companies**

TRAINOR & ASSOCIATES CELEBRATES 20 YEARS OF BUSINESS

MEMPHIS, TENNESSEE -- For 20 years now, Trainor & Associates has been helping Manufacturing and Distribution companies throughout the Mid-South improve their operations, reduce costs, increase profits and become more competitive. Trainor & Associates is on a mission to keep manufacturing jobs in the United States! They partner with business leaders to improve their companies strength to compete and to be more resilient against foreign competition. Trainor & Associates is a strong advocate for businesses who are trying to survive in the current economy and maintain jobs in the US. We want our grandchildren to have the choice to work in a progressive manufacturing company in the future.
